To Larry -

It lost me found me  
a spot to write. I should  
say try to write how  
very much I appreciate  
your friendship. I really  
mean that Larry, that  
comes straight from the  
heart. You've made my  
hours at the Dutch  
Kitchen a lot of fun.  
Remember the night  
you were ~~a~~ waiting  
on people - more fun!  
Just because I've quit  
~~working~~ in the Kitchen  
doesn't mean I can't  
go on having some

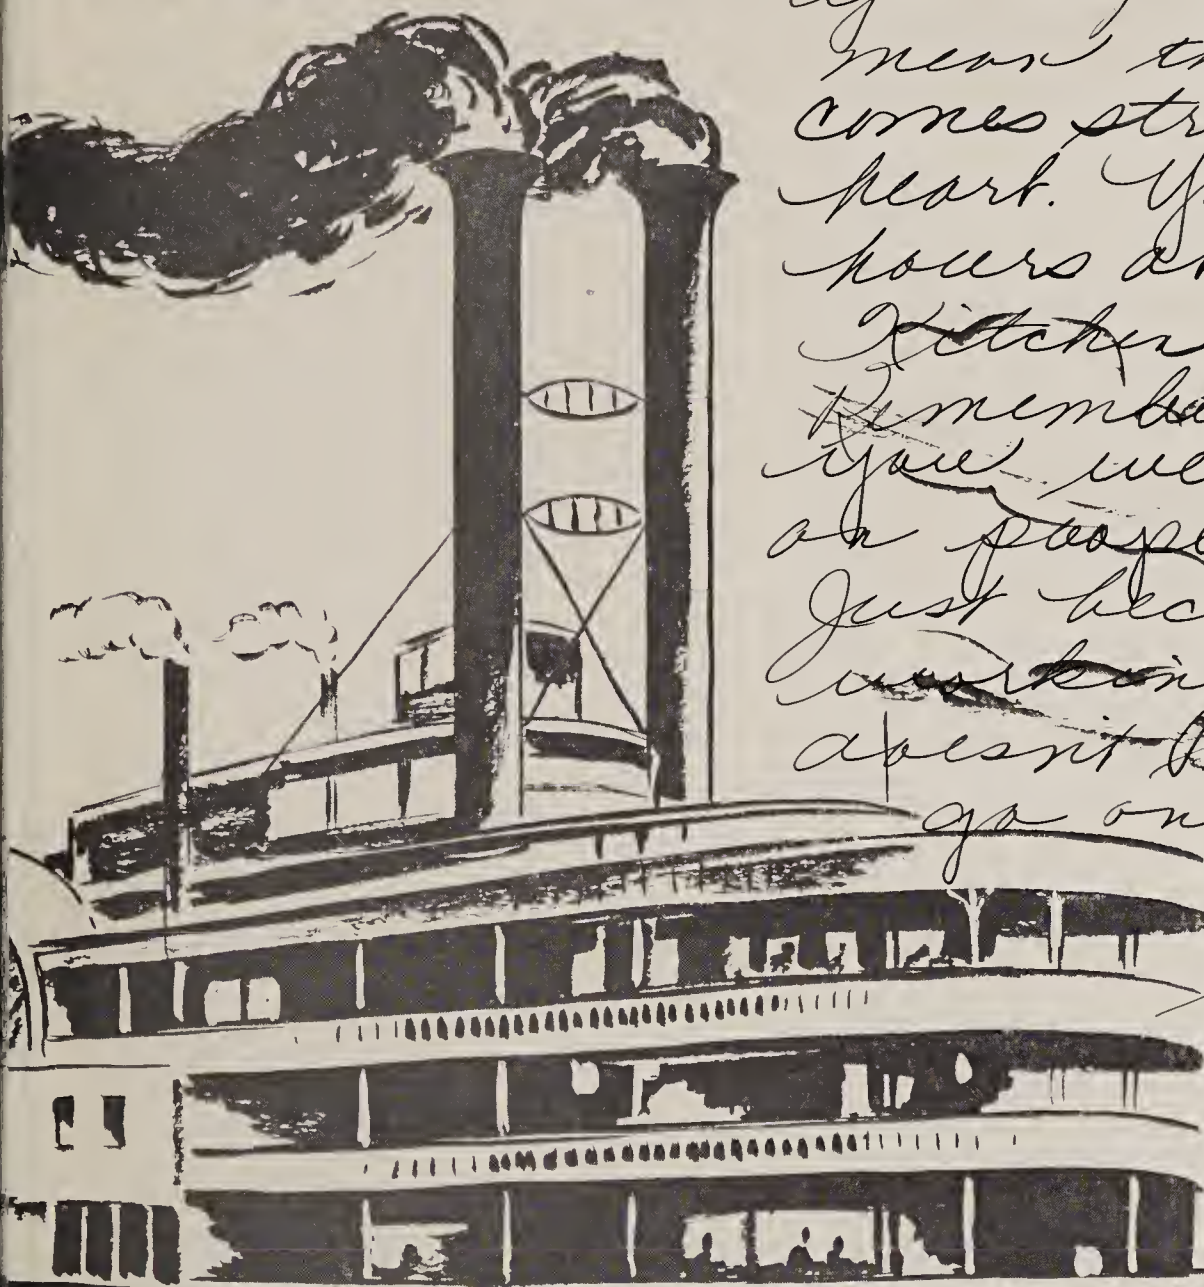

more good  
times. It's less  
your next year.  
but I'll be  
~~thinking~~ of  
the wonder-  
ful guy  
you are.

The gal that

# OUR STARS

Hi Larry,

Best of luck to one  
of the cutest guys at  
C. H. S.

With your looks  
& nice personality, I know  
you will really go far.

Good luck on the  
team next year. I'll  
be looking for you  
on the varsity!

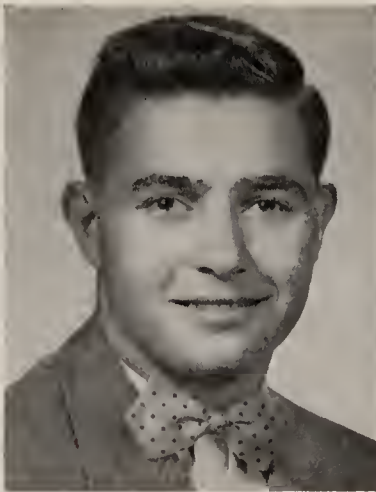

Love always,  
Your pal

*Good Luck to a damn sure Kid*

Search for a stocky boy and you find EUGENE A. AVERY. Gene has had four active years. He was freshman class president and junior class treasurer. He worked on the prom glider committee and was a member of the Red Cross Club. Gene carried two Es — one in varsity softball and one in intramural basketball. Gene enjoys basketball and likes "Indian Love Call."

When WALTER A. BAEHLER isn't taking a "Sentimental Journey" with his favorite girl, he is busy in the Phi-Chem, Red Cross, and Commercial Clubs. Walt has earned an E in band and intramural basketball.

Want your picture taken? Just see JAMES W. M. BENTLEY whose hobby is photography. Jim earned his letter in band and is a member of the Phi-Chem, Red Cross, E and Projectionist Clubs. His favorite piece of music is "Song of Love."

"On Top of Old Smoky" is FRANCES JOAN BENTZ'S favorite song. Joan is in the GUS, Red Cross, and Commercial Clubs. Her hobby is collecting key chains. Participating in Speakers' Stand work keeps Joan busy the last period.

When not hunting or fishing "In the Cool, Cool, Cool of the Evening," WILLIAM BIRD presided over the Red Cross and E Clubs. He was drum major of the band in his junior year. Bill worked on the prom. He is a member of the Rifle and Booster Clubs. The Phi-Chem club members chose Bill as their veep.

A quiet but active character you might meet in the halls of E. H. S. is RICHARD BLACK. Dick has belonged to the Red Cross Club three years, taken part in intramural sports four years, joined Speakers' Stand his senior year and was in varsity track his junior year. His favorite hobby is basketball; and he particularly likes the song, "On Top of Old Smoky."

Shop is PAT BRENNAN'S favorite subject and hobby. Pat belonged to the Rifle Club in his freshman year and has belonged to the Red Cross Club all four years. Intramural sports is his chief school activity.

A well known basketball player and track star, LEWIS A. BREWSTER, better known as Louie, found time to belong to the Booster and Red Cross Clubs. His hobby of course is sports, but the girls "figure" in too!

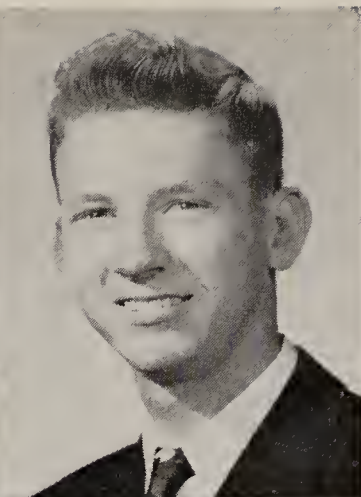

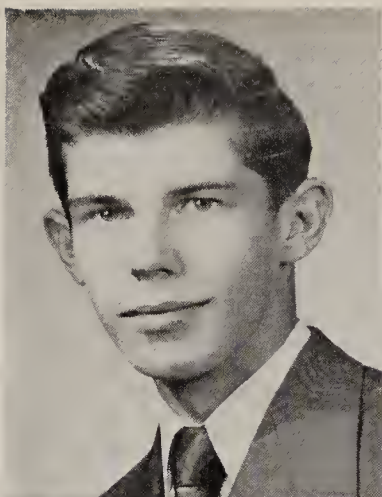

Norma claims "This Nearly Was Mine" as her favorite song. She can claim the showboat theme as her brain child. Norma earned an E in Glee Club. Her other club activities are the Commercial, Red Cross, and GUS Clubs. An ADVANCE typist and an ANLIBRUM editor is NORMA BULTEMEIER.

One of the smallest girls in the senior class is our salt and pepper shaker collector — RUTHIE CHIVINGTON. Ruth is a member of the GUS, Red Cross, and Commercial Clubs. Her favorite song is "Cold, Cold Heart."

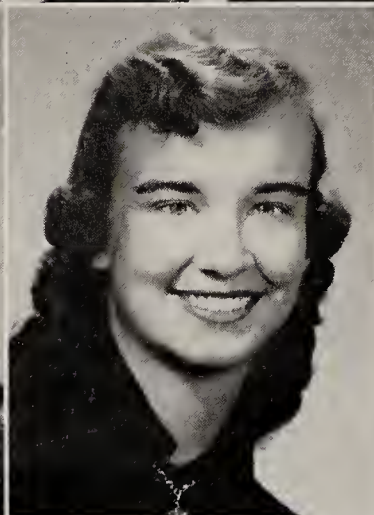

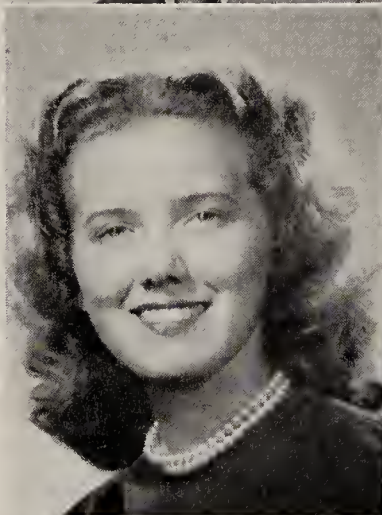

CHARLES COBB is vice-president of the band. Bud belongs to Red Cross, GUS, and the Commercial Clubs. He has his E in band and is advertising manager of the *ADVANCE*. His favorite hobby is girls.

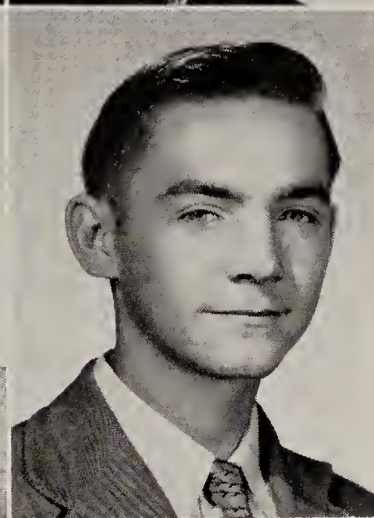

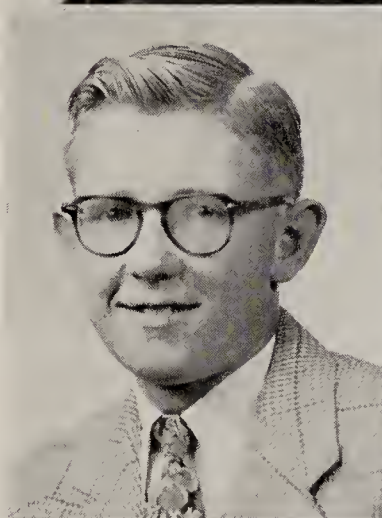

If you ever need a gun, just go to DON COMBS whose hobby is gun collecting. He's a member of the Rifle, Red Cross, and Phi-Chem Clubs. His favorite song is "In the Cool, Cool, of the Evening." Don is senior class secretary and has an E in Rifle Club.

Cornie or LAVON C. CORNEWELL has been active in G. A. A., holding offices for two years. She is a member of the Speakers' Stand, the Commercial, Red Cross and E Clubs. She received her E in G. A. A. Lavon was awarded the Sportsmanship Award her freshman year. "Star Dust" is her favorite song.

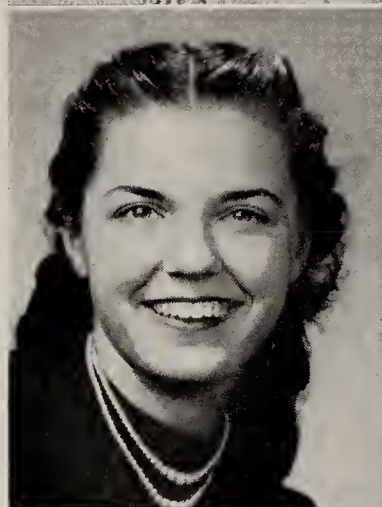

Our vice-president, CAROL CRABILL, was also a prom attendant. She is vice-president of the Speakers' Stand, secretary-treasurer of Phi-Chem, and student adviser of the Home Ec. Club. In addition, Carol works on the *ADVANCE* and belongs to the Red Cross and E Clubs. Carol sings "Let a Smile Be Your Umbrella" while she roller skates.

Besides taking care of his hobby of girls, STANLEY CRIDER seems to be able to find time for intramural sports and the Red Cross and GUS Clubs. Stan's favorite musical composition is "Unless."

When not humming "Down Yonder," WALTER W. EICHLER is busy picking apples in his orchard. Walt likes to swim and to tease the girls. The Red Cross Club claims Sonny as an active member.

Collecting old photographs is BONNIE L. FARLEY'S main outside interest. Bonzo worked on a prom committee. She was a member of G. A. A., the Red Cross Club, Booster Club, and the Speakers' Stand. Bonnie favors that popular song, "Because of You."

DONNA FAVORY, who has been a member of the Red Cross Club for four years, the Home Ec Club three years and Commercial Club three years, enjoys singing as a pastime. Her favorite song is "Tonight We Love."

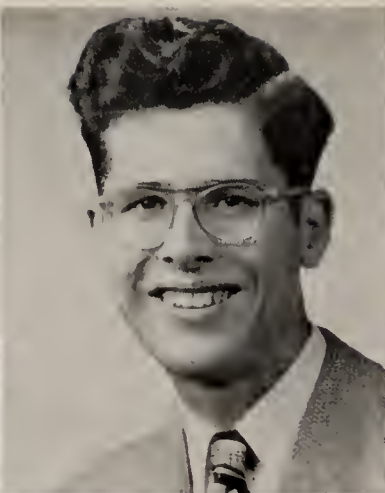

A very busy girl in our class is ARLEEN FERRELL. She was class secretary, prom attendant, and G. A. A. treasurer in her junior year. She is in Red Cross Club and has earned an E in G. A. A. "Can't Help Loving that Man of Mine" is her favorite showboat melody.

The only senior girl to win an E in band is JOYCE ANNE FERREY. Joyce was Tinker-Y president and joined the Booster, Phi-Chem and Red Cross Clubs. Making clothes for miniature dolls is her hobby. "Make Believe" is her favorite song.

Did you say you have some work to be done? You did? Well, just call WILLIAM FINK; that's his hobby — tinkering around. While singing his favorite song, "Too Young," Willie also works in the Red Cross and GUS Clubs. Willie has also spent some time playing intramural basketball and trying to join G. A. A.

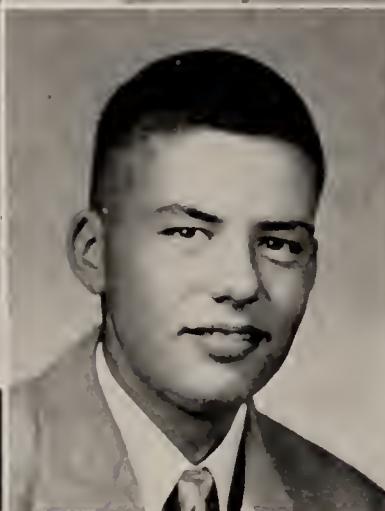

Tearing them down and building them up, is the hobby of HOWARD FOSS. He really enjoys working on his cars. His favorite song is "Three Little Words." Belonging to Red Cross Club is Howard's main school activity.

If you ever hear a lusty voice singing "She's a Devil! She's a Demon," it couldn't be any other but IRVIN W. GAUNT. Beef is the Red Cross Club vice and is a member of the Glee Club. He is in the band and on the track, softball, and basketball varsity teams. He has earned an E in sports. His favorite hobby is basketball.

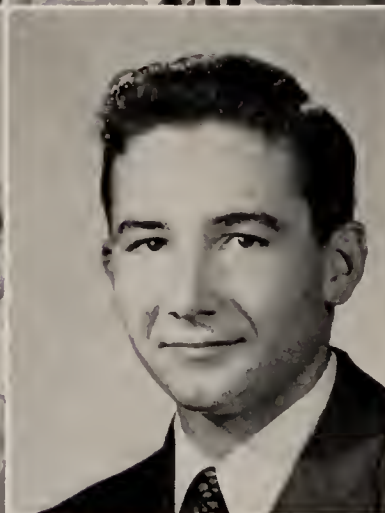

"Everything I Have Is Yours" is what MARILYN A. GENTH may be heard singing. Marilyn is a member of Red Cross, G. A. A., Glee Club, Commercial, and GUS Clubs. ANLIBRUM staff work kept Marilyn busy the last period of the school day.

Ginny earned an E for being chief hall monitor of the Red Cross Club. VIRGINIA J. GREPKE wrote feature articles and kept points for the ADVANCE. She belonged to the Phi-Chem Club and the Speakers' Stand. "Moonlight and Roses" pleased this prom attendant when she wasn't studying "soc" like mad! This little blond enjoyed her position as majorette on the varsity twirling team.

This fellow is in the Red Cross and Booster Clubs. KEITH GUYOT also has found time to play intramural basketball. Keith's favorite selection is the "Notre Dame March." Pop's Ford is his way of getting places — but fast.

"Stardust" is the favorite tune of MARILEE JAYNE HARDISTY. Marilee is secretary and treasurer of the Speakers' Stand, and belongs to Red Cross Club, Commercial Club, G. A. A., and GUS and Booster Clubs. She also served on the junior prom committee and spent her spare time working on the ANLIBRUM. Her favorite hobby is skating.

JEROME A. HERBER or Herbie likes to hum "The Blue Danube" on his regular fishing and hunting trips. But in school he has been in Red Cross Club the last two years and in intramural sports the last three years.

Curly-haired VIRGIL K. HOKE has been a member of the Red Cross Club for four years. In his spare time Virgil does woodworking and likes "Sound Off."

When VICTOR H. HOOPEN-GARDNER isn't busy getting his "Mule Train" to work, he is busy singing in the Glee Club. Hoopie is in the Projectionist Club, the band, and the Phi-Chem and Red Cross Clubs.

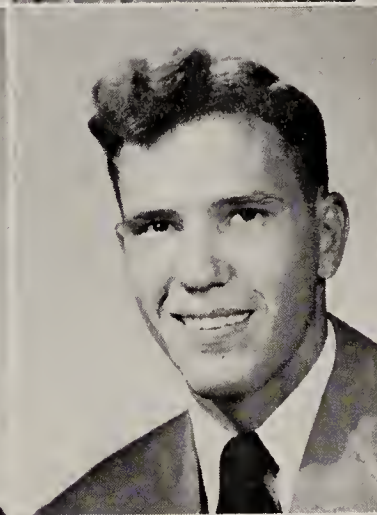

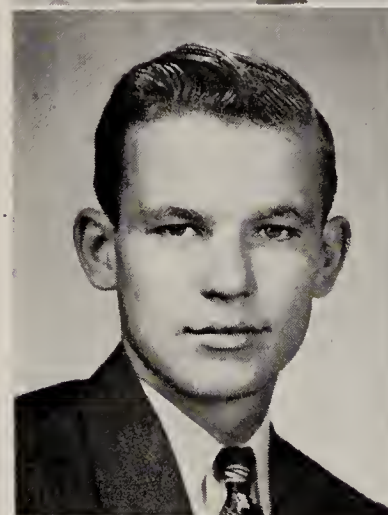

President of the Speakers' Stand is EUGENE JOHN JOHNSON. He spent his summer being a life guard. He has a hobby of collecting banners from the 48 states. He belongs to Red Cross Club, GUS Club, Rifle Club, and N.F.L. Gene played on the softball team for two years. He is feature writer of sports for the *ADVANCE*. His favorite song is "On a Hill Far Away" — from Elmhurst.

One of Elmhurst's twirlers for three years was BONNIE F. KIESTER. Bonnie is a member of the Commercial and Red Cross Clubs. She enjoys singing "A Kiss to Build a Dream On." That gleam in her eye comes from being pleased at the work of the Speakers' Stand. Bonnie served as the president of her freshman class.

The highly decorated showboat slid gracefully to its dock. The awaiting crowd roared as the Elmhurst Band marched down the plank. The band immediately took its position on the open air stage. Mr. Doell directed "Barnum and Bailey's Favorite."

Mr. Doell came to Elmhurst in 1944. At that time, the membership of the band was 16. It jumped to 30 in one year, and now the membership has risen to 52. The band has won two "firsts" in the district band contests, and two "firsts" in the state marching contests. Last fall the band received a high second in the marching contest. The band has given Elmhurst team a continual flow of inspiring music so necessary to the team's winning. The band played for the Joint County Teachers' Institute on February 2. They gave their annual winter concert the next day. Some of the numbers were: "La Rouquette", a piano concerto; "Irene Overture", the introductory theme to the opera "Irene"; "Emblem of Unity," a thrilling march by J. J. Richards; and "Si! Trocadero", a rhythmic novelty tune.

Thirty-two of the band members participated in the district solo and ensemble contest held February 9. Eleven of the 16 soloists received "first" and four of the eight ensembles received "first." The brass sextet, trombone trio, drum duet, and the marimba trio were the ensembles that received a "first." Those solos and ensembles receiving a "first" went to the All-State Contest at Indianapolis, February 23. The band presented their annual spring concert on March 23 and participated in the District Band Contest, April 5.

Accompanying the band were the twirlers and flagbearers. Between halves of basketball games, they did a new flag routine, a snappy marching drill, letter formations, a dance routine, and a New Year's theme surprise.

These girls added color to our showboat with their new outfits of gray shorts, red blouses, and gray neck scarves. The three flagbearers wore gray military uniforms. Of the eleven girls, the only senior and the only one to earn her letter was N. Thiele.

The splendid show was performed with the accuracy and confidence of a well-trained organization. The crowd cheered as the showboat backed slowly from its moorings.

Elmhurst's Trojans pulled to a halt another softball season with a record of six wins and three losses. The "Big Nine" moved into tournament play with a 6-2 record but were defeated by the tough Harlan Hawks. Certainly most of the credit should go to the "Big Men" of the team, Mr. Fryback and Mr. Weaver. Losing only six men from this year's squad, the "General" and Mr. Weaver expect a successful season for '52. Student manager was Lee Taylor. Batting averages were: Young—.385, Kunneke—.325, Wilson—.297, Huyghe—.290, Woebbeking—.250, Sims—.200, Gaunt—.188, Avery—.167, Mann—.118, Meid—.111, Trainer—.100, Lowe—.100, Bachler—.083, Moore—.000, Dikty—.000, Bunnell—.000.

## *G. A. A.*

The Girls' Athletic Association, under the leadership of Mrs. McClure has succeeded in maintaining a lively and busy pace this year. They made better sportsmanship and athletic training their goal.

Each Tuesday and Thursday these girls could be found participating in such sports as volleyball, softball, and basketball.

Unorganized sports such as bowling, swimming, hiking, walking, bicycling, horseback riding, roller skating and ice skating keep these girls busy outside of school.

Dues were collected at the beginning of the year and again in January to help with the social activities and to pay for letters which are awarded to members who have earned them.

## *G. A. A.*

To get a letter, a member must have earned 250 points by participating in both organized and unorganized sports and by refereeing a certain number of times. Plaques are also awarded to those girls having received 350 points. It takes approximately two years to earn enough points to be awarded a G. A. A. letter. This year the girls who have earned enough points for a letter were recognized on Recognition Day.

Each year the girls of the G. A. A. have an outing the last week of school at Pokagan State Park. They take a lunch and enjoy such sports as swimming, horse-back riding and playing softball on the sandy beach.

## *E Club*

March 5 was the big day for the class tournament which is held every year. It was sponsored by the E Club. It was the day for wearing one of Dad's long white shirts with blue jeans. Class colors and names were also picked.

The freshmen having called themselves Hoop Happy Hillbillies, decorated one of the lower halves of the gym with black and blue streamers. The opposite side was occupied by Eickhoff's Brats, better known as the sophomores. They picked for their colors yellow and green. Enough to make your blood curdle were the junior decorations of Blood and Bones. Their colors were typical red and white. The seniors picked as their name Globetrotters with black and white as their colors.

The tournament started off with the girls playing the first day. The senior girls met the freshmen. It was a victory for the seniors who defeated them 33-14. The second game involved the juniors and the sophomores with the sophomores winning 20-12.

Thursday's games started out with seniors and sophomore boys playing. The seniors came out on top 34-24. In the second game the freshmen were defeated by the juniors 21-18.

The final games were held Friday. The two remaining girls' teams played first in an exciting battle with the seniors defeating the sophomores 25-23. In the second game the seniors again came out on top by winning over the junior boys 29-19.

After the finals, a trophy was awarded to the boy and to the girl showing good sportsmanship. There was a repeat winner with another trophy going to Lavon Cornewell. The boys' trophy was awarded to Joe Specht.

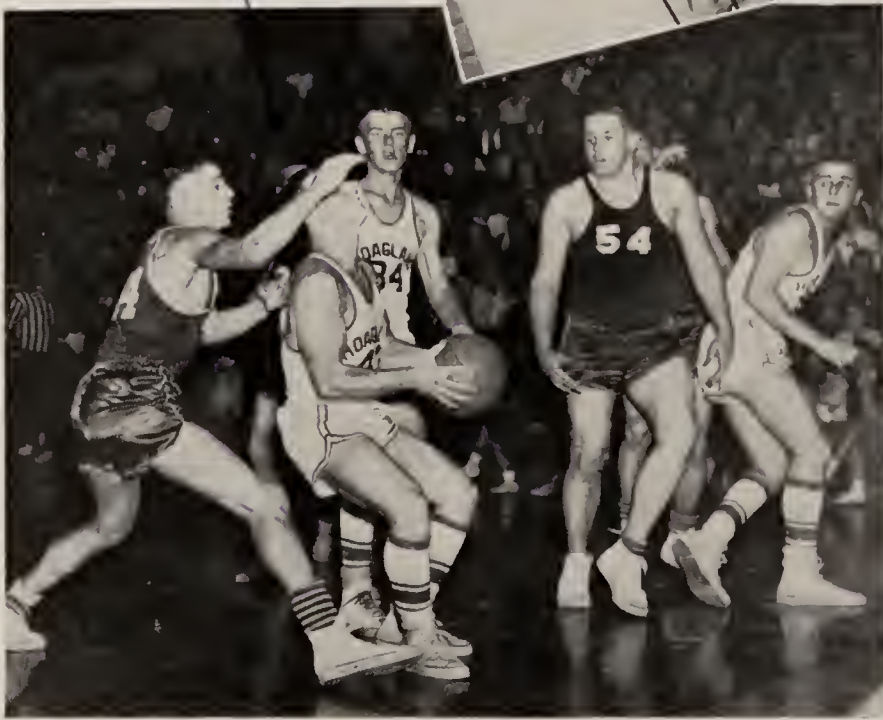

Each year the annual E Club dance is held. All alumni and students having earned an E are eligible to come.

The E Club is headed by Mr. Eickhoff. The other sponsors are all those teachers who award E's. Officers for this year are: Don Combs, president; Betty Paxton, vice-president; Carroll Breeden, secretary; Dick Koch, treasurer.
